### **Accessibility**

The OHA is working to discover the best ways to make the 2020 Virtual Meeting accessible to all. This includes having live transcription for all of the panels, and live ASL interpretation for the plenaries and keynote. Presenters will also be asked to provide a copy of any presentation materials ahead of time. If comfortable, please indicate below how the OHA can make the conference more accessible for you. Or please feel free to either email us at [oha@oralhistory.org](mailto:oha@oralhistory.org) or call us at 615-898-2544 to discuss accommodations (while we are not in the office, please leave a message and we will return your call).
